In case the Account has joint signatories, each authorised to operate the Account individually, the Bank may act on instructions from either/any one of the signatories, subject to there not being any conflict between the signatories concerning such instructions prior to the Bank acting on the same.
6. The Bank may rely on the authority of each Authorised Signatory designated (in a form acceptable to the Bank) by the Customer or on a Customer's mandate to send communications (as hereinafter defined) until the Bank has received written notice or other notice acceptable to it of any change from a duly authorized person and the Bank has had a reasonable time to act (after which time it may rely on the change).
7. An Account may be opened on behalf of a Minor by his natural guardian or by a guardian appointed by a court of Competent Jurisdiction. The guardian shall represent the Minor in all transactions of any description in the above Account until the said Minor attains majority. Upon the Minor attaining majority, the right of the guardian to operate the account shall cease. The guardian agrees to indemnify the Bank against the claim of above Minor for any withdrawal/transactions made by him in the Minor's Account.
8. An Account in the name of a minor shall be converted into a normal individual Account upon the minor attaining the age of majority and the right of the guardian, if any, to operate the Account shall cease forthwith. Minors above the age of 10 years with self-operated account are not covered under this.
9. The Customer shall provide to the Bank such documentation for this purpose, as may be required by the Bank. At least fifteen (15) days prior to the minor becoming a major (as per the records of the Bank), the Bank shall send a communication seeking documentation to effect conversion of the Account from a minor Account to a normal individual Account. Failure to provide such documentation in a timely manner may result in operations on the Account being blocked until such time that the required documentation is provided to the satisfaction of the Bank.
10. Accounts on which an attachment order or other legal notice from any authority or individual prohibiting operation of the Account is received by the Bank will be blocked and no further operation will be allowed until the prohibition order is removed. The Bank shall endeavor to inform the Customer about any such order or notice, however the Bank shall not be bound to do so.
11. The Bank may, at its sole discretion, decide not to carry out any instructions where the Bank has reason to believe (the decision of the Bank shall not be questioned or disputed by the Customer) that the instructions are not genuine or are otherwise improper or unclear or raise a doubt. If the Bank receives any process, summons, order, injunction, execution, distraint, levy, lien, information or notice, which the Bank, in good faith, believes calls into question the Customer's ability, or the ability of someone purporting to be authorized by the Customer, to transact any business, the Bank may, at the Bank's option and without liability to the Customer and/or such other person, decline to allow transactions or may take any other steps required by applicable law.
12. Transactions initiated will be completed only if the amount of funds available in the Account is sufficient to meet the transaction amount in full, including any applicable charges/fees, etc. The amount of each completed transaction will be immediately deducted from the Account. The Customer will not hold the Bank liable in case of improper/fraudulent/unauthorized/ duplicate/erroneous use of the confidential codes and/ or the materials supplied by the Bank to the Customer.
